

Low Energy LED cabinet shelf Lighting

Plug-and-Play LED Downlight Kits from CHARMY are an easy-to-use and affordable solution for LED under cabinet lighting. With aluminium housing and colored decorative rings which provide natural color and high CRI of 1W LED power —these under shelf Lights are great for brightening up functional work areas, retail displays, kitchen counters, and any tight space where extra light is needed!

Compare our style against other under shelf LED lighting, and you'll know why ours are stand apart.

Simply choose your desired color rings, we have transparent, red, blue, green, orange and black.
